

Lehigh Avenue Repaving & Safety Project: Kensington Ave – Aramingo Ave

Summer 2022

Repaving & Restriping

A PennDOT paving project will repave and restripe Lehigh Avenue in 2022 between Ridge Avenue and Richmond Street, along with layout changes to the roadway between Kensington Avenue and Aramingo Avenue.

Planned layout changes will make the road safer for neighbors and travelers walking, biking, taking transit, and driving along the corridor.

Project Goals:

- Encourage slower and safer driving along the corridor
- Upgrade painted bike lanes to parking separated
- Improve safety for people walking

Traffic Safety on Lehigh Avenue

Between 2016 and 2020, there were **100 crashes** on Lehigh Avenue between Kensington Avenue and Aramingo Avenue.

127 people
were injured

1 person
was killed

This portion of Lehigh Avenue is on the Philadelphia **High Injury Network**, where **80% of all traffic death and serious injuries** occur on just 12% of city streets.

Lehigh Avenue Repaving & Safety Project: Kensington Ave - Aramingo Ave

Summer 2022

Planned Layout

EXISTING

PLANNED
